

Wootton Primary School
Year ahead 2018 – 2019

Please find below our current school calendar of events planned for the year ahead for 2018/19. More information about these events will follow closer to the time either in the weekly newsletter or through individual year group letters/forecasts.

This calendar will be added to during the year as year groups make more detailed plans regarding trips or events, but we have tried to include as much information as possible for you to plan your time. It is not anticipated that any of these dates will change unless there are exceptional circumstances or events that are beyond our control mean that we need to make alternative dates or arrangements.

Parents and carers are invited to those events in **red**, other dates are listed for your information only.
