## Music Lessons

We currently have spaces in some of the NMPAT music lessons. There are spaces in upper strings and guitar. If you think that your child may be interested, please watch one of the following videos and let the school office know if you are interested.

## Are you eligible for Pupil Premium?

There is a website to help you find out if your child qualifies for free school meals. Please visit to sign up, even if your child is in Foundation Stage, Year 1 or 2 and receiving Universal Infant Free School Meals, or if you have applied before and do not think you are eligible. In doing so you will help us to find out whether we can claim Pupil Premium for your child.

This is additional funding to spend on resources such as extra staff and books for eligible children. The system is quick and simple to use and can be accessed via computer, smartphone or hand held device.

For more information click [APPLYING FOR PUPIL PREMIUM](#)

Should you require help or assistance in doing this, please do not hesitate to contact Mrs Varma or the school office.

KS1 parents will receive a voucher for £100 and KS2 parents will receive a voucher worth £150 to spend on school trips, clubs and uniform.

## Pick Up and Drop Off

Thank you for following the times for picking up and dropping off.

With the Reception children now being dropped off in the mornings, there are additional parents queueing up so please could we ask that you are extra aware of social distancing during pick up and drop off, as well as sticking to the Year Group times and not coming in earlier.

## Reception Tapestry

All Reception parents should have received an email to activate their Tapestry account.

If you have not received it then please contact your child's class teacher .

## School Photographs

The school photographers will be in on Wednesday the 7th of October. We will be sending out more information closer to the time but put the date in your diary!

## Term Dates

Please could we draw your attention to the fact that our Term Dates for this year differ to that of CCS and the rest of the cluster schools.

We chose to move away from the term dates that the cluster were suggesting and this was released in September last year and has been published on our website and school app since then.

The 2nd of November and the 12th of April are not training days on our dates and we finish for summer on Friday the 16th of July.

# Stars Of The Week

Well done to the Stars of the Week this week. You have showed a fantastic attitude to learning and displayed the school values in everything you've done this week.
