Sun Safety

For safety reasons, during the summer we ask that children wear a sun hat or baseball cap. We advise that children should be protected by sun cream, applied at home, or sent with the child so that they can apply it themselves. We will keep children inside should they not be adequately protected from the sun.

Jewellery

Following LA guidelines for the health and safety of all children, jewellery is strictly forbidden in all P.E. lessons. **Children are also not allowed jewellery in school for their own safety, and that of others.** If you are considering having your child's ears pierced, please do so at the beginning of the summer holiday so that earrings/studs can be left at home during term time. We cannot accept responsibility for the loss of any items of jewellery, should they be worn to school.
